Appointment Global Managing Director at Valéron Strength Films

Valéron Strength Films – August 22nd 2013

Valéron Strength Films is pleased to announce the appointment of Mr. Umesh Mishra as the new Global General Manager at Valéron Strength Films, a division of ITW (Illinois Tool Works).

Mr. Umesh Mishra assumed global responsibility for all business units of Valéron Strength Films in the US, Belgium and China starting July 15th. Major tasks will include integration of Belgium, China and US business units under one global umbrella, implementing the ITW Enterprise Strategy across Valeron globally, and focussing on healthy growth through innovation and expansion into new markets.

Umesh began his ITW career in 2010 and has held varying leadership roles within the ITW Technology Center and the Automotive Segment. Prior to ITW, Umesh worked in engineering and program management positions.

Umesh Mishra has a BE in Mechanical Engineering from the National Institute of Technology in India, a MS in Mechanical Engineering from Michigan State University and a MBA in Management Strategy from Kellogg School of Management.

We welcome Umesh Mishra on board of Valéron Strength Films.
